"The Toughest Monster Truck Tour event features larger obstacles in the form of oversized dirt jumps with old-school crush cars incorporated into the all-dirt track than most other indoor monster truck events," she added.

The Pit Party is a fun experience like no other. Pit passes get fans in early to walk on the track, see the trucks up close, take photos and get driver autographs. The Pit Pass is FREE when you buy during the presale along with a \$5 discount on select seats! This is the best deal you will see so get your tickets early!
