### **An inspirational and musical storyline**

Axel, a young graphic artist and musician, dives into his hand drawn universe as he falls in love with the captivating Lei. Together they jet off on a fast-moving quest to retrieve the stolen light from the supervillain Vi. In this epic fantasy, graphic art and music intertwine to create the supercharged world of AXEL. Ice skating extravaganza, impressive areal feats, pop music, and vibrant visuals create an energetic and immersive experience for the whole family.

In *Cirque du Soleil AXEL*, the music serves as a narrative thread guiding our characters and our audiences as they journey with Axel and Lei to discover that true love shines even brighter than the most radiant star.

This newest Cirque du Soleil creation brings a new look to the world of ice skating by introducing us to the discipline of freestyle skating. This fresh take on skating combined with the skill and power of traditional pairs, solo, and adagio work allows Cirque du Soleil to set the stage for high calibre ice skating of all kinds.
