Findlay
TOYOTA
CENTER

Be part of a seasonal Prescott Valley Tradition!

Findlay Toyota Center is proud to host the 2022 – 2023 Community ice rink. Over 14,000 people from our region come ice skate between November and January. This Family-Oriented activity is as fun and wholesome as it gets for all ages. A traditional activity to share during the holiday season and for those with a bit more experience our Adult Hockey League and Open Hockey times in the evenings boasts another 100+ more active community players taking part.

This is a perfect, affordable way to align your business with one of Prescott Valley's most celebrated activities. With great exposure, positive community involvement and great pricing, a partnership with our community ice rink is a great way to activate your brand, share experiential marketing, or traditional signage.

Grow your brand recognition and support our community. We want to be partners with you. Included are some great partnership options, but we are flexible and open to ideas. Tell us your goals and vision and we can also share a custom package that is right for you.
