The EnduroCross Racing Series is back at the Findlay Toyota Center! These talented riders handle crazy terrain and obstacles as they race for the finish and at title.

Rockstar Husqvarna’s Colton Haaker will be back and aiming to earn his fifth AMA EnduroCross championship, which would tie him at the top of the list with Taddy Blazusiak. FactoryOne Sherco rider Cody Webb will be working hard to put a stop to Haaker’s championship streak and take his fourth AMA EnduroCross championship.
